

June 10, 2010

Shalom,

We are excited that you'll be joining us for the 2010 Jewish Multiracial Network retreat at the Isabella Freedman Jewish Retreat Center. We have a fantastic program prepared for you and your family.

Check-in for this retreat begins at 3pm on June 11th, and scheduled programming begins at 5pm, so please arrive on time. If you must arrive after 7pm, there will be a self check-in table with maps marked with your name and room number, in the Recreation Room in the Main building.

A detailed schedule and JMN Family Contract will be available during sign-in when you arrive. We have fabulous programs planned this year, organized by Shahanna McKinney-Baldon, JMN Program Director, and the retreat planning committee.

You might want to bring: · Outdoor walking shoes · Calling card (cell phone reception is very limited) · Bathing suit for lake and pool swimming · Celebratory wear for services · Rain gear (weather forecast calls some rainy days) · Musical Instruments.

If you have a ride to share or are in need of one, please post on the JMN Listserv. Be sure to list your personal email with your offer or request, so that people can respond to you, rather than to the entire list. If you have not arranged shuttle transportation with our registration department, detailed driving directions to Isabella Freedman can be found online at <http://isabellafreedman.org/guest/directions>. We look forward to seeing you!

Warmly,

Hanna Lancer

Jewish Multiracial Network Retreat Coordinator
